A New Chapter!

The Friends of Caston School
Charity Number: 1045671

Dear Parents/Carers,

The Friends of Caston School is pleased to announce that it is under new leadership and taking positive steps towards revitalising the charity, with the aim of raising valuable funds to support our school and its pupils.

Introducing Our New Trustees

We are delighted to welcome Katrina Bayliss as our newly elected Chairperson. Katrina is a parent of children at the school and is supported by:

Heather Minns – Treasurer, who is also a parent of children at the school.
Hetty Williams – Secretary, also a parent of children at the school.
Karlynn West - Committee Member, also a parent of children at the school
Carrie Featherstone - Committee Member - Teaching assistant at the school.

Together, they are supported by members made up of parents, carers and members of the school's teaching staff, all working together towards a shared goal.

Who Are We and What Do We Do?

The Friends of Caston School is our school's parent and teacher fundraising group, dedicated to supporting Caston Primary Academy and making school life even more enjoyable, enriching and memorable for all our children.
Throughout the year, we will organise a variety of fundraising events and activities to raise money for additional resources, equipment and experiences that will benefit every child within the school.
However, it's about much more than fundraising!
We also want to bring our school community together, create exciting opportunities for children and their families, and help build a welcoming and supportive school community where everyone feels involved.

Get Involved – Everyone Is Welcome!

Would you like to be part of our journey? We would love to welcome new faces and encourage everyone to get involved, whatever time or skills you may have to offer.
Whether you would like to help organise an event, volunteer occasionally, share ideas or simply support our fundraising activities, every little contribution makes a difference.
Together, we can make a real difference to our school and create wonderful opportunities for our children.
We look forward to working with you!

Kind regards,

Hetty Williams
