Friday 2nd November 2018.

Dear Parents and Carers,

It has been wonderful to welcome the children back into school this week – and great to see that they all have their coats and outdoor footwear in use!

Next week, we will be welcoming prospective parents and pupils to the school on Monday afternoon, as we hold our Open Afternoon. We have also started making arrangements for our forthcoming Parent Evenings on Wednesday 14th (3.30 – 6.00pm) and Thursday 15th November (3.30 – 6.00pm). Please sign up for your appointment/s on the sheets outside the school office. Towards the end of the week you will also receive an Interim Report on your child's effort and progress in each area of the curriculum. This is something a little different and we hope will help with any questions you may have prior to parent evenings.

Nelson Class will be having a 'Road Safety' session on Monday to look at being safe around the area. This will be presented by Benjamin and Bethany Bear! We have bought some new outdoor play bikes for our Early Years which they will enjoy using. If you have any cycling helmets that are too small and no longer used, these would be very useful for us to have if you could make them available to Miss Reynolds – so that children can be safe using the equipment.

Some of our pupils will be taking part in a Cross Country event at Wayland on Wednesday, so we wish them all the best for that! Also Cavell Class will be taking a trip to Norwich Theatre Royal to see David Walliams "Awful Auntie" on stage on Friday. This has caused some excitement for those pupils who have not been to a live production before, and they have been wondering how it will all work. We hope they all enjoy it!

Please ensure children are safe if you are going to an organised event or having your own firework party next week or over the weekend. If there are any issues arising in the meantime, please speak with me when I am around.

Yours sincerely,

Mark Cresswell,
Interim Executive Head Teacher
