Dear Parents / Carers

School Uniform Ordering

Our school uniform supplier, School Trends has changed the way items are to be ordered. Parents / Carers order online as normal, but items will now be delivered to your home addresses rather than to school. This means that you will have to pay for the postage (currently £2.99), but items should arrive much quicker than if they were sent to school as we can only send orders to School Trends once a month.

Please follow the link below which details the current price of uniform items and the facility to order:

If you have any questions or experience any difficulties with ordering online please contact the school office.

Kind regards

Mark Cresswell
