Friends Committee

Thank you to those parents who attended the Friends meeting on Wednesday morning. They have lots of exciting things planned for this term which I am sure the children will enjoy. Please keep a look out for further information about the events which your children can join in with.

Attendance

This year we are introducing a new rewards system for good attendance at school. Each term children will be able to gain a certificate for good attendance. If your child's attendance is 98% or better they will receive a gold certificate and will also get to attend the Headteacher's tea party. If your child attends for 96% or 97% of the time they will get a silver certificate and 95% attendance will earn a bronze certificate.

Breakfast club

Thank you to those of you who have returned your breakfast club reply slips. If you haven't yet returned these please can you so that we can start to think about the viability of a breakfast club at Caston.

Letters home

Starting after half-term all school letters with the exception of those requiring a permission slip will be sent out via email. If the school does not have an up-to-date email address for you please contact the school office to provide this. If you do not use email and would still like a paper copy of letters please speak to the office staff who will ensure that you still receive a paper copy of all letters.

Spaces

We currently have spaces in a number of our classes. If you know of anyone who is looking for a new school place please recommend them to us. We are always keen to show perspective new parents around school.

Kind regards

Mrs Disney
