Breakfast Club Terms & Conditions

Please complete the booking form each half term even if you wish to keep the same hours and days of attendance. Completed booking forms must be accompanied with full payment to guarantee the sessions. Please return forms and payments to the school office.

All places are subject to availability and are offered on a first come first served basis; those children already occupying a place in the current half term will be offered their place again as a priority up until the booking form return date.

Please note that we cannot issue swaps or credits for sessions not attended as overhead costs have to be met.

Each session costs £3.00. Payments can be made using cash or cheque (made payable to Caston Primary School). A confirmation of booking and receipt of payment will be sent home once the child has been booked in.

Due to safeguarding, your child must be dropped off by an adult who will need to sign them in.

All places must be booked in advance and payment made at the time of booking. We will be unable to accept on the day bookings as there may be no places available.
