Attendance

As you may recall I informed you in September that we were going to be introducing a rewards system for attendance this year. During next Thursday's celebration assembly attendance certificates will be given out. You will be notified in the usual way if your child/ren is going to be receiving a certificate.

The tea party to celebrate excellence attendance is being held on Thursday 9th January. If your child has been at school for 98% or more of the time they will be invited to this. Please let the school office know of any dietary requirements we are unaware of before this date.

Celebration assembly on 12th December 2019

The celebration assembly on the 12th December will begin at 2:40pm due to the large number of certificates being handed out.

Parking

Again this week I have been contacted by concerned residents regarding the parking outside of school at drop off and pick up times. They have shared concerns that parents/carers are parking opposite junctions making it dangerous for cars to pull out as they cannot see. Please be considerate of our neighbours during pick up and drop off times and think carefully about where you are parking.

Reading incentive

I am excited to say that some of our children have completed the 1st stage of our home reading incentive. Book vouchers will soon be coming home for those children.
