Dear Parents/Carers

I know that for some of our families this week has had added stresses as you have had to self-isolate and try to access a test for Covid-19. I wanted to take this opportunity to thank you all for working with us and persevering with getting a test even though I know that this has proven difficult. We do appreciate your support at this difficult time.

Wider Curriculum

We are pleased to be able to welcome Premier Sports and the Music Service back into school. We firmly believe that the work they do helps us to provide a broad and balanced curriculum and enable our pupils to be able to access specialist teaching. In order to ensure the safety of our school community we have had to adapt how these services are run including whom we offer provision to at this time. More information on this is available in the schools risk assessment, which is on the school website. We hope to be able to offer Premier Sport's to other classes later on in the school year.

Celebration Assembly

Starting next week we will be holding a virtual celebration assembly where we will be awarding two head teachers certificates per class and an award each week for one pupil linked to this terms school value of friendship. Unfortunately, due to not every child in school having the required parental permissions we are unable to allow access to the assemblies.
