22nd January 2021

Dear Parents/Carers

Friend's

Thank you to everyone who took part in the Christmas raffle. £162 was raised for the school.

Online Safety

We have updated the online safety guides, which are on the school website. Two new guides have been added. The first is a parent's guide for when your child gets a new device and the second provides some top tips for remote learning.

Reading

Please let your children's teachers know how many times they have read at home each week so that they can continue on the reading reward chart and work towards individual prizes. If your child needs a new set of reading, books please contact their teacher who will arrange for a new set of books to be left in the front office for you. Please return the books they have read and place them in the returned book box.

Devices to access remote learning

If your children are struggling to access their home learning due to not having access to a device or having to share a device with a sibling or other family member please get in touch. We still have some spare devices, which we are more than happy to loan to those families who are struggling to access a device at home.

Kind regards

Mrs Sarah Disney
