## The Dove Federation

Executive Headteacher: Mrs Sarah Disney

24<sup>th</sup> February 2021

Dear Parents/Carers

A local company; Su-Bridge Pet Supplies, have kindly donated 13 desk top PCs to the school. These have been wiped by another local company Netmatters and are ready to be used. We would like to donate the PCs to families whose children attend either of our schools. If you think that your child would benefit from having one of the PCs, please can you email the school office no later than **Wednesday 3<sup>rd</sup> March**, advising why you feel that your child would benefit from this. If we have more interest than computers, we will have to assess each family/child's needs and distribute them based on this.

Su-Bridge Pet Supplies have also donated 8 iPads to the Federation. These will not be available for home use, but will be a valuable tool for the children in both schools.

Yours Sincerely

Sarah Disney  
Executive Headteacher
