7th May 2021

Dear Parents/Carers,

School Photos

We will be having our class photographs next Friday (14th May). If your child usually does PE on this day, their PE session will be re-arranged. Class teachers will let you know what day PE will be on. Please send your child/ren to school in their full uniform for the photograph.

Water Bottle

Please could we remind parents that children should only be drinking water during lessons. The benefits of regularly drinking water in class is that it encourages good health and wellbeing, it reduces tiredness, irritability and distraction from thirst and can have a positive effect on pupils' concentration throughout the day. If you would like to send your child to school with a bottle of squash to have with their lunch then this is fine.

Watton Youth Club (Benjamin Foundation)

The Benjamin Foundation are running a youth club in Watton for children aged 8 and above on a Friday evening. If you are interested in your child/ren attending the youth club, please look at their website for more information.

IPADs

Finally, we now have a full set of IPADs for the children to use at school. I am looking forward to seeing the work they are able to do with these over the coming weeks.

Kind regards

Mrs Sarah Disney
