Dear Parents,

Following on from my previous letter from last May and with further consultation with children, parents, governors and staff. We have decided on the following values for the Dove Federation.

The values are as follows:

Respect
Kindness
Responsibility
Hope
Strength
Unity

We will be teaching the children about these values and how we can show these as a school community. We will also reward certificates for children demonstrating any of our school values as part of our weekly celebration assemblies.

Many thanks for your time and continued support.

Carla Lansdell
