Outside play equipment

Please **do not** allow your children to play on the school play equipment before or after school. If we see children using the play, equipment after school we will politely ask them to not play on it.

Reading

Alongside today's newsletter I am also sending home a leaflet explaining the importance of children reading at home and the benefits that this can have on their education, vocabulary and understanding of other cultures. It is the expectation of the school that children will read at least 3 times a week at home. Each class has a reward chart to reward those pupils who do this.

Kind regards

Mrs Sarah Disney
