Executive Headteacher: Mrs Sarah Disney

13th December 2021

Dear Parents/Carers

This afternoon the Department for Education provided guidance on the new national approach of daily testing for contacts of COVID-19. From tomorrow, Tuesday 14th December, all children aged 5 and above who are identified as a contact of someone with COVID-19 will be asked to take a daily lateral flow device test. The test will need to be taken every day for 7 days. Children will not need to isolate if they taking a daily LFD unless they develop symptoms of COVID-19 or test positive. The test result will need to be reported online and to the school each day.

Boxes of test kits can be ordered online or collected from a local pharmacy.

I would like to take this opportunity to thank you once again for your support this term and working with us and the ever changing guidance. If I do not get an opportunity before the end of term I would like to wish you all a Merry Christmas.
