Parking

We have seen an increase in the number of parents that are driving or parking on school grounds to drop their child/ren off at school. Parents and carers should **not** be doing this unless you have had permission to do so. The only cars that should be on site are staff, taxis and those parents that have had permission from myself. If you have a medical condition that would warrant you parking on school grounds, please contact the office by e-mail with details.

Parents Evening

Parents Evening is being planned for Tuesday 8th and Thursday 10th March. More details to follow.

Parent Governor

If anyone is interested in becoming a Parent Governor at the school, please contact Mrs Disney for more information.

Congratulations

To all the children that won a prize in our Census day raffle that was held at lunch time yesterday.

Parents' Guide

Below is a link to a parent's guide for young people using social Media from Young Minds.

Mobile Phones

This is a reminder that parents and carers should not be using their mobile phones whilst on the school premises.

Bikeability Training Year 5 & 6 only

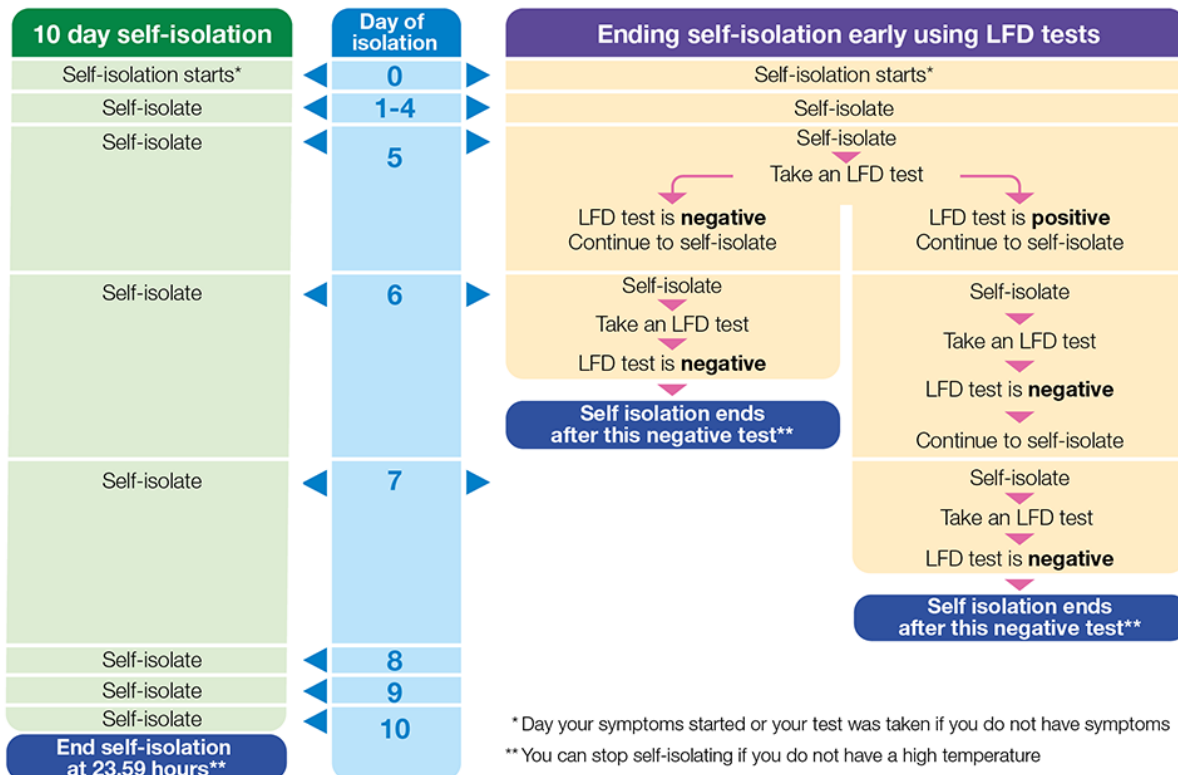

We are pleased to confirm that this training will be going ahead again this year. Letters will be sent home next week to book your child's place. Children must have a suitable bicycle and helmet in order to participate. We need a minimum of 6 pupils for this to go ahead.

Phone Lines

From Monday, the phone line open times are being extended until 3.30pm but they will be unmanned. If you need to speak to someone urgently but there is no reply, please keep trying. Do not leave a message, as these will not be picked up until the next day.

Current Coronavirus Isolation rules

The self-isolation advice for people with Coronavirus has changed. It is now possible to end self-isolation after five full day if you have 2 negative LFD tests taken on consecutive days. The table below explains the procedure.

Kind Regards

Mrs Disney, Executive Head Teacher
