World Book Day – 3rd March

The theme is promoting a love of reading. Children may come to school dressed as their favourite book character and they may bring in a favourite book to share in class. Years 3, 4 & 5 have swimming on this day please can they bring in a tracksuit to change into before they leave for swimming so outfits do not get wet and no face paints.

Celebration Assemblies

We are hoping that we will soon be able to invite parents back in to school. As soon as new health and safety guidance from DNEAT has been received, we will let parents know. We are hoping that we will soon be able to share pupils achievements with their parents once again.

Parents Evening

Bookings are now open for Parents Evening. Click the link below to log in using the email we hold on file for you at school. If you have any problems contact the office.
