Celebrating Pupils Success

We want to celebrate some of the work our pupils have created.

This week we have:

A thank you card from Conor in Fry class.

Two poems from Rylee in Nelson Class

Well done to every one! You have created some amazing work.

Thompson Common

On Wednesday, Carter Class went to Thompson Common. They went on a nature walk and took part in a bug hunt. These used nets to sweep the ground or gently shook branches to see which bugs lived in the grass and in the trees. They also completed Nature Art using items you would find outside. More photo's from the trip will be put on the schools website after half term.

Have a lovely half term, see you all on 6th June.

Kind Regards,

Mrs Sarah Disney
