School Safety Practice

At some point over the next couple of weeks we will be practising having to get back into school quickly because of a risk outside. Please reassure your children that this is just a practice just like when we have our fire alarm practices.

YouTube

Can we please ask that you carefully monitor what your children are accessing online. Some children are telling us they are watching content that is much older than their years and that sometimes what they are watching scares them. We have included a parents guide to YouTube with this newsletter.

Transition Dates

Tuesday 19th and Wednesday 20th of July will be the whole school transition days. All children will be moving up to their new class. Most Year 6 pupils will be at their new high schools on these dates.

Celebrating Pupils Success

We want to celebrate some of the work our pupils have created.

This week we have:

A short story from Rylee in Nelson Class.

Billy in Fry Class was challenged to use adjectives in his sentence and join his ideas together using the word "and".

Well done everyone! You have created some amazing work.

Year 5 and 6 Production

Year 5 and 6 parents you don't have much longer to get your tickets for this years production before tickets will be made available to the rest of the school. The production will take place on 28th and 29th June 2022 at 1.30pm.

To book tickets (they are free) please email the office office@caston.norfolk.sch.uk or call advising which date you would like to attend and number of tickets required. There is a limit of 4 tickets per family, the amount of tickets may be increased once we have ensured that everyone who wants tickets has them (we will create a waiting list for those wanting extra tickets).

KS2 Trip to London

On Wednesday Years 3, 4, 5 & 6 went to London to visit the Houses of Parliament and the British Museum. It was an early start and a late finish but everyone enjoyed themselves.

Kind Regards,
