

# Christmas Jumper Shuffle

With the rising costs of living and the need to be more eco friendly with consumable items. The Friends of Caston will be organising a Christmas Jumper Shuffle.

We all know how quickly children grow and more than likely the jumper that fit last year won't for this. Last year's jumpers are usually still in perfect condition and could well be worn by another child and bring them joy over the festive period.

If you would like to be involved please drop your washed and ready to wear jumpers to the office by Friday 2nd of December. Please label the items with who they have been donated by.

Priority will be given to those that donate but jumpers will be available to all depending on how many jumpers are received and how many people want to take part.

The shuffle will take place in the hall after school on Wednesday 7th December with further details to follow.

In the future we would like to hold regular events to shuffle everyday uniform so we will also be accepting any clean and wearable uniform at the same time.

Further details of an event to distribute these items will follow and will be dependant on how many items are donated and who would like to take part.
