

One day a time,
Ella really wanted to
go to see the big, terrifying
Black Rock.

The next ~~day~~ dazzling
day Ella is feeling
so brave she decides to
go see Black Rock for
herself.

She spent all night sailing
and sailing until after
hours of traveling she saw
Black Rock.

But in a blink of an eye
she fell into the sea,
deeper and deeper she sunk.
The surf ~~was~~ all around
her became ~~be~~ became
black. Suddenly she felt
herself rising and
she saw that Black
Rock was a sea-animal.
Black Rock called

Ella all the way home.

The next dazzling day Ella
is feeling so brave she decides
to go see Black Rock
for herself.
