Fry Class - Update

We would like to take the opportunity to thank Mrs Lawrence for stepping in at the last minute when Mrs Neale was unable to return to work after half term. As a school, we really appreciate the work she has done with Fry class.

Mrs Neale has now recovered and is able to return to work after Easter. She is looking forwards to working with the children again.

We would also like to thank Miss Lindop for her continued support. Despite her being on maternity leave, she has made time to support Mrs Lawrence whilst she has been covering.

Thank you Mrs Lawrence and Miss Lindop.

A Note From Norfolk Constabulary

It is important to remember the issues and dangers that speeding and inconsiderate parking outside educational premises can cause for our young children going to and from school and can lend itself to risk of incident that needs to be reduced.

With your help this can undoubtedly be achieved by working in partnership. This means, with your support as parents, carers, and friends of Caston Primary Academy, parking sensibly by not parking on Yellow Zig Zags, not parking on top of junctions at drop off and picking up times and importantly reducing speed.

Together we can achieve a better and safer environment for our children.

So, Be: -

- **S**chool Aware
- **T**hink Child
- **R**educe Speed
- **O**nus on Safety
- **P**ark Sensibly

Police will of course monitor and very much hope you are committed in making a real difference.

Those of you already taking these positive **STROP** steps of which there are many, I and Norfolk Constabulary sincerely thank you.
