CASTON NEWS

Friends of Caston

Dear Parents and Carers,

We want to thank you for all you have done to support the Friends of Caston over the last year – all the cakes you have made and then bought back at our coffee morning, the Christmas items designed by your children you happily purchased and sent to family and friends, ferrying children to our disco and picking them up hyped up and not ready for bed! Attending our picnic stalls and catching some sun on that lovely afternoon not so long ago. The Friends could not exist without all of you.

Yet, we need help – we need people to plan the events, source the materials, bring the ideas to life, liaise with the school. This is the job of the Friends Committee.

The current Committee has been in place for 3 years on average - and many of our supporting role parents will be leaving us in July. Now is the time to get involved. This coming half term will give you the chance to join the current Committee and learn all that is needed to take on a role in September.

We want to make next years events bigger and better than ever before and to do that we need YOU!

What are you waiting for? Get involved now and make a difference to our children's experience of school.

Email us at friendsofcaston@gmail.com, message us on our Facebook group or speak to one of us in the Playground. We would love to tell you all about what we do and how you can help.

Thanks,
The Friends of Caston Primary Academy

Next Friends meeting will be at 9.00am on 26th May 2023 at the school
