## Volunteers/Friends of Caston

---

We are always looking for new volunteers at Caston Primary and The Friends of Caston.

If you or someone you know could spare a couple of hours to help with listening to readers or helping out when the children go swimming or join us to help supervise on a school trip, please contact the school office in the first instance.

The Friends of Caston do a lot of good things for the children and they need your help to be able to continue all that they do. If you can help in any way please contact the office and they will forward your details on, or speak with Amanda Jones or Susan Stubbins, you can usually catch them on the school playground.
