Parent Guide to Online Safety

Attached to this newsletter is a parents guide to online safety.

Parent Guides to Online Safety

THINK before you send!

You think you're sharing a funny picture with a friend...

...but your Mum could see it

...but your Gran could see it

...but your classmates could see it

...but your teacher could see it

...but a cyberbully could see it

...but a policeman could see it

...but a burglar could see it

...but a stranger could see it

...but your neighbour could see it

Anyone in the world could see your butt!

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

If you share it, you are involved

If you have, or forward an indecent image of someone under 18, it is a criminal offence. It can affect your future.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
