Year 5 & 6 Bikeability

Forms have already been sent out regarding this years Bikeability sessions which are due to take place between 10th -13th June

Please could the consent form be returned by Monday 29th January. We need a minimum of 6 children for this to go ahead.

World Book Day

We have changed the date that we will take part in World Book Day to Friday 8th March. This is to allow Parkers Primary and ourselves to enjoy the special themed lunch together. A copy of the menu is attached.

The theme for world book day is Reading for Pleasure.

We suggest their favourite book that they would choose to read for pleasure as a dress theme, or wear what they like to wear when reading for pleasure - PJ's, Onesie, snuggle jumper etc. We do not want anybody to feel that they have to go and buy something special or a child feels pressured to dress up.

Send Support

The link below takes you to quick guides which have been created for families who feel their child may be showing signs of neurodevelopmental differences. The resources can signpost you to resources and services to support you on your journey. Although a clinical assessment for neurodevelopmental differences such as autism or ADHD (attention deficit hyperactivity disorder) is helpful for some families, a diagnosis is not required to access additional support.
