## NO NUTS!

We are a nut free school!

There are a number of pupils who do have nut allergies any products containing nuts should not be brought into school in packed lunches. Any items found by staff will be removed from the dinning hall. Parents will be allowed to collect these items from the office after school.

## World Book Day Reminder

We have changed the date that we will take part in World Book Day to Friday 8th March. This is to allow Parkers Primary and ourselves to enjoy the special themed lunch together. A copy of the menu is attached.

The theme for world book day is Reading for Pleasure.

We suggest their favourite book that they would choose to read for pleasure as a dress theme, or wear what they like to wear when reading for pleasure - PJ's, Onesie, snuggle jumper etc. We do not want anybody to feel that they have to go and buy something special or a child feels pressured to dress up.

## Parent Activity Sessions

Thank you to all the parents from Nelson class that came in on Wednesday to take part in the class science experiment. We look forward to finding out the results. There are some photos on the Nelson Class page of the newsletter.

Dates for the other classes are at the top of this newsletter
