**Dear Parents and Carers,**

I am writing to let you know that our school counsellor, **Stacey Howe**, will be leaving **Caston C of E Primary Academy** at the end of next week. While we are sad to see them go, we are also deeply grateful for the care, dedication, and expertise they have brought to our school community.

During their time with us, **Stacey** has supported many of our pupils and families with compassion and professionalism. Their work has made a meaningful difference, and we know that many children have benefited from their guidance and support.

We want to extend our sincere thanks to **Stacey** for everything they have contributed. They will be greatly missed by staff, pupils, and families alike, and we wish them every success in their future endeavours.

We are currently making arrangements to ensure continuity of support for pupils who have been working with Stacey. We will share further information with you as soon as possible.

If you have any questions or concerns in the meantime, please do not hesitate to contact **myself via the school office**.

Thank you, as always, for your continued support.

**Warm regards,**

Mrs Disney
