Dear Parents and Carers,

We are very happy to announce that **Ms James** has joined our school community this week as our new Wellbeing Lead. With extensive experience as both a teaching assistant and a counsellor—across mainstream schools, complex-needs settings, and a variety of support organisations—Ms James brings a deep understanding of children’s wellbeing and emotional development.

Her role will focus on providing wellbeing support for pupils, helping them feel safe, confident, and ready to learn.

If you would prefer that your child does not work with Ms James, or if you would like to know more about the support she provides, please contact the school office. Should you feel at any point that your child may benefit from additional wellbeing support, we encourage you to get in touch.

Kind regards,

Mrs S Disney
