PARKING

We have received phone calls from our neighbours that have raised concerns about parking at collection. Please be considerate of our neighbours when parking, leaving access for pedestrians. Please also do not park in front of our vehicle gates, as access needs to be kept clear at all times in case of an emergency.

BOOK FAIR

Scholtastic Book fair will be returning to Caston on the 18th November – 26th November.

PARENTS EVENING

Parents evening slips have come home, if you have not received an appointment slip, please speak to your child's class teacher.

Little Sparrows and Finches Class

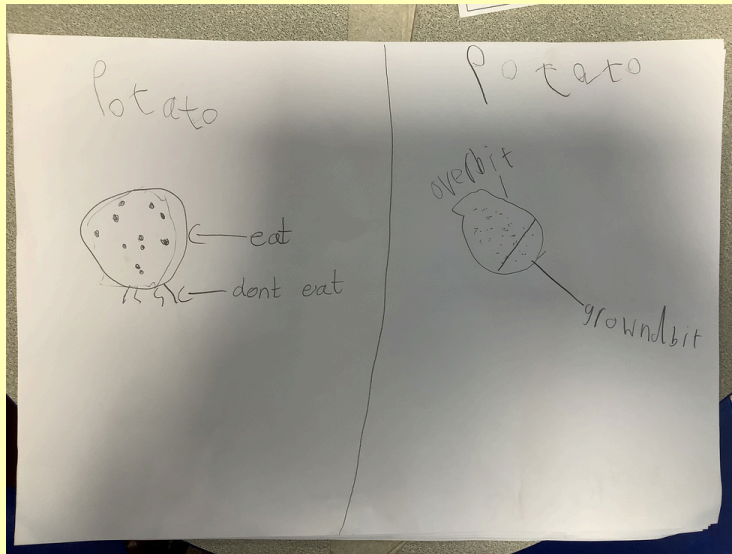

This week Little Sparrows and Finches have been making their own Torah's in RE. A Torah is the compilation of the first five books of the Hebrew Bible

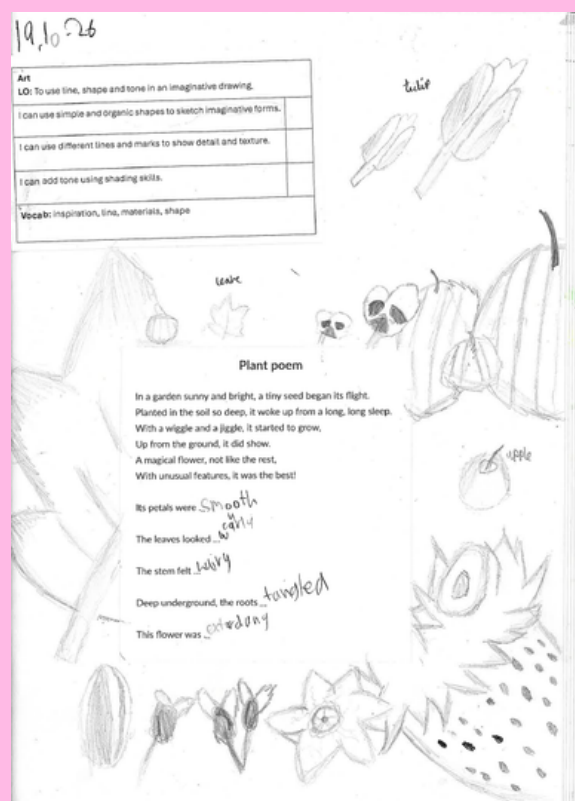

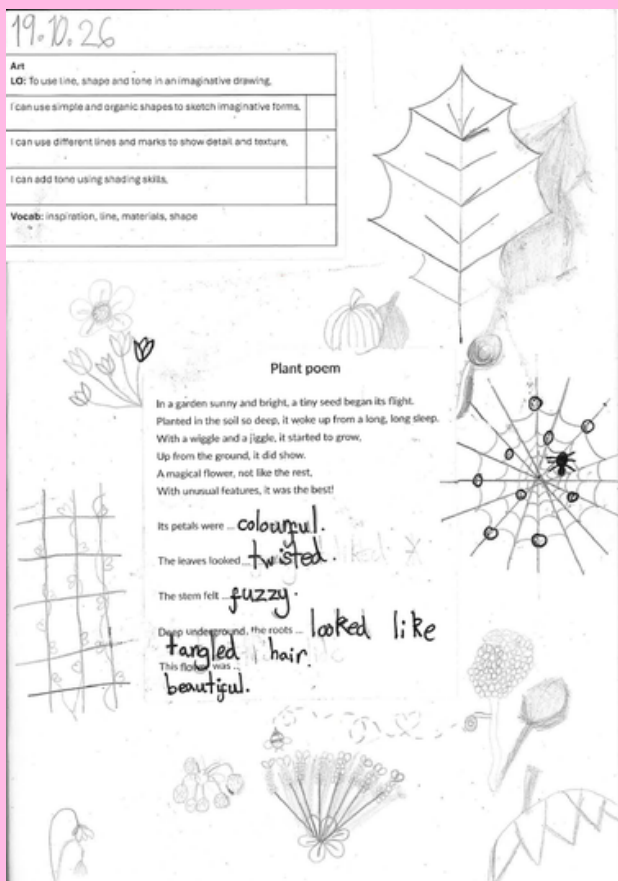

Swifts Class

This week in Science, Swifts have been learning about fruits and vegetables. We explored their different parts and identified which parts we can eat.

Robins Class

Robin Class used line, shape and tone in an imaginative drawing

Owls Class

This week we have been planning a fair test with consideration of variables and measurements. Within the test we made sure that we used cold water in every test and stirred as soon as we added the different materials. We were able to describe the process when different materials were dissolving and if they were soluble or insoluble.
