Please use the pedestrian walkway when entering and leaving the school.

For the safety of all pupils, parents and carers, the vehicle gates will remain locked during drop-off and pick-up times.

Please name all school uniform, we have found lots of nameless jumpers and cardigans over the past week, most have been returned to the correct pupils.

Little Sparrows and Finches Class

Little Sparrows and Finches have been looking at hibernation as part of their outdoor learning. They were all given a little hedgehog (pinceone) and were tasked to go out onto the field and build their hedgehog a little den using outdoor resooources for him/her to hibernate in.

Swifts Class

In Science, Swifts have been learning about deciduous and evergreen trees. During a nature walk, they collected leaves and used them to identify the trees they came from and whether they were deciduous or evergreen. The children also searched for signs of Autumn, spotting fallen leaves, seeds, and changing colours of the trees.

Robins Class

Robin Class used the skills we have been developing over the last several weeks to play a game of Cricket

Owls Class

As part of our Black History Month learning, Owls Class have been finding out about the life of Rosa Parks. The children created their own fact files, sharing some of the important events and achievements from her life. They also drew their own pictures of Rosa Parks to add to their fact files.
